

Study Questionnaire

By continuing you consent to participating in this study and to allow the use of your answers for the purpose of the study. This data will be anonymous.

* Required

Info

To be filled by researcher

1. Participant number *

2. Study Order *

Mark only one oval.

☐ G - F☐ F - G

3. Age

4. Gender

Task A

To be filled by Participant

5. On a scale of 0 to 10, 0 being how you felt coming in, 10 is that you want to stop, where are you now? *

Mark only one oval.

0 1 2 3 4 5 6 7 8 9 10

How you felt coming in	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	You want to stop
------------------------	-----------------------	-----------------------	-----------------------	-----------------------	-----------------------	-----------------------	-----------------------	-----------------------	-----------------------	-----------------------	-----------------------	------------------

6. How comfortable were you during the task? *

Mark only one oval.

	0	1	2	3	4	5	6	7	8	9	10	
Not comfortable	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Very comfortable

7. Please explain the reasons for the level of comfort that you chose above. *

Now you will answer some questions that the researcher will open up for you

8. How were you getting to the next position? *

9. How often were you confused about what your next position would be? *

Mark only one oval.

	0	1	2	3	4	5	6	7	8	9	10	
Never	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	At every jump

10. How did you know what your next position would be? *

11. How often were you confused about what direction you would be facing after a jump? *

Mark only one oval.

	0	1	2	3	4	5	6	7	8	9	10	
Never	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	At every jump

12. How did you know what direction you would be facing after a jump? *

13. If you have mentioned that you were confused about your next position/direction please explain what you were confused about.

14. Were you confused about anything else? If so what were you confused about? *

What path did you take?

Now the researcher will place an empty map of the museum in front of you. Please draw and label:

The path you took, marking where each jump took place

The point at which you had to make a choice

The positions of the exhibits/objects you stopped at. Label them with a short description of the object.

15. Do you have anything more to add for this task?

Task B

To be filled by Participant

16. On a scale of 0 to 10, 0 being how you felt coming in, 10 is that you want to stop, where are you now? *

Mark only one oval.

012345678910

How you felt coming inYou want to stop

17. How comfortable were you during the task? *

Mark only one oval.

012345678910

Not comfortableVery comfortable

18. Please explain the reasons for the level of comfort that you chose above. *

Now you will answer some questions that the researcher will open up for you

19. How were you getting to the next position? *

20. How often were you confused about what your next position would be? *

Mark only one oval.

	0	1	2	3	4	5	6	7	8	9	10	
Never	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	At every jump

21. How did you know what your next position would be? *

22. How often were you confused about what direction you would be facing after a jump? *

Mark only one oval.

	0	1	2	3	4	5	6	7	8	9	10	
Never	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	At every jump

23. How did you know what direction you would be facing after a jump? *

24. If you have mentioned that you were confused about your next position/direction please explain what you were confused about.

25. Were you confused about anything else? If so what were you confused about? *

What path did you take?

Now the researcher will place an empty map of the museum in front of you. Please draw and label:

The path you took, marking where each jump took place

The point at which you had to make a choice

The positions of the exhibits/objects you stopped at. Label them with a short description of the object.

26. Do you have anything more to add for this task?

Final Questions

27. Which method did you prefer? *

Mark only one oval.

☐ Task A

☐ Task B

28. Why did you prefer this method? *

29. Can you think about any scenario in which you would prefer to use the method in Task A for? *

30. Can you think about any scenario in which you would prefer to use the method in Task B for? *

31. What did you like about the method in Task A? *

32. What did you like about the method in Task B? *

33. Do you have anything more to add about the method in Task A? *

34. Do you have anything more to add about the method in Task B? *

35. Any final comments?
